

Mr. Hugo von Meijenfeldt

Opening Conference 2019 | Intelligence & Sustainability

MULTI-STAKEHOLDER PARTNERSHIP IN THE NETHERLANDS

Business – Finance – Civil Society – Knowledge – Youth - Government

- **Boost SDG activities:**
 - from pioneers to leaders, *now the peloton*
 - from sustainability officers to CEOs and politicians, *now the operational level*
 - from philanthropy & subsidy to procurement, *now the mainstream*
- **SDGs tools:**
 - Return, Risks & Impact Strategy, KPIs, Reporting
 - Compulsory SDG-test of new regulation and financial support

PROCESS

- **Mapping:** what is already happening? (SDG-washing)
- **Measuring:** statistical facts (244 UN & many national indicators)
- **Gapping:** what needs to be done? (planning agency, politics)

ORGANISATION:

- **Horizontal Coordination:** MFA, High Level Officer, SDG Focal Points
- **Vertical Coordination:** 17 SDG Alliances
- **Networking:** SDG Charter with all stakeholder representatives
