

RETURNING TO THE WORKPLACE

a FM perspective

WORKPLACE CONCEPT

- Walk the office clockwise;
- Visual signs on the floor and elevator;
- Use clear shields between workstations;
- Bring your own keyboard and computer mouse.

SUPPLIERS & EXTERNAL PEOPLE

- Communicate Golden Rules of Behaviour;
- Offer different forms of catering;
- Try to minimize supplier movements in the building.

BEHAVIOUR

- The "New Normal" under COVID-19;
- Communicate Golden Rules of Behaviour before returning to the office;
- Create a schedule for employees who can come to the office at what day.

ADDED VALUE OF FM

FM is able to translate federal guidelines in the field of hygiene, personal safety, logistics and mobility to specific organizational demands.

MOBILITY & LOGISTICS

Offer different solutions to your employees regarding travelling to the office and between locations.
